Afternoon Caroline,

I wanted to follow up on the attached invitation sent in February inviting the Secretary to attend NMA's board meeting on April 24-25. This important event is fast approaching and we have yet to hear any indication of whether or not the Secretary might be able to attend.

Thank you,  
Justin

Thanks Micah – I appreciate the direction. This is obviously a very important event for us and an opportunity for all of our CEOs to come together to discuss industry issues. I know they'd be very interested in hearing from the Secretary about his plans for the agency moving forward.

Caroline, I know the Secretary is very busy and April's schedule is likely in flux. If you can provide any indication of whether or not the Secretary might be able to attend our event, I'd really appreciate it.

Thanks for your time and have a great day,

Hi Justin. I've cc'd our scheduling address. Caroline Boulton handles the Secretary's schedule and all requests should go to her at the cc'd address. Thanks for circling back.

Hey there,  
Not sure if you're tracking the Secretary's schedule but I wondered if either of you were aware whether or not a decision had been made related to the attached invitation?

Any information you can provide would be great!

Thanks,  
Justin

Afternoon Amanda and Micah,  
I wanted to make sure you had a copy of the invitation that was sent recently to the Secretary to attend NMA's board meeting in April. We are in the process of filling out the event request form and will get that returned shortly. We hope he can attend.

Thanks and have a great weekend,

Justin Prosser
